The two principals of the firm, David Bowers and Ian Harnett, are both ranked in the top 10 leading analysts in the Global Strategy sector and both are in the top 15 for Global Macro. In addition all the client facing members of the ASR research team have received significant votes in their own sectors (including a top 10 rank in Technical Analysis).

Only two firms in Europe have 2 or more analysts ranked in the top 10 for global strategy – SocGen and ASR.

The sales team at ASR has also received strong plaudits, with Verity Hunt receiving top 3 positions in 4 sub sectors (shown below) and a further two top 10 rankings for Beth McCann.

ASR’s focus on client service is clearly shown by the strength of the sales vote.

Sector/Category	Position	%
Pan-European Economics & Macro	1	22.6
Global Economics	1	25.85
Global Strategy	2	12.81
Pan-European Equity Market Strategy	3	8.27

Across all sectors of the market, including the very heavily supported equity sectors in which ASR does not participate, Absolute Strategy is the 3rd highest rated independent. However it is the only one of the top 3 which does not have an execution capability and can be seen as the **leading independent pure research house in Europe.**

ASR is the clear leader in the independent macro/strategy sector and is in the top three “independents”
